

Section 7000 – Instructional Program

7700-R Evaluation of Instructional Program (Cf. 7650)

7700-R

The Superintendent may establish, on an ad hoc basis, special curriculum committees to study the District's instructional program or any part thereof. The Superintendent may request a report from such committee, which shall include the committee's recommendations for any proposed changes, modifications or elimination of any part of the instructional program. The Superintendent will submit the report together with his/her recommendation to the Board for approval, modification or disapproval at a regular or special meeting of the Board. The use of personnel other than the District's instructional staff to evaluate the curriculum is authorized as outlined elsewhere in these policies and rules.

Any costs incurred by curriculum committees shall be borne by the District.
