9400 Visitors to the School

9400

All school buildings shall be posted to require all visitors to make their presence known to the appropriate building Principal first before proceeding to contact any other person in the building or on the grounds.

Any person who visits a building and/or grounds of the District will be under the jurisdiction of the building Principal who shall be responsible for developing rules and regulations governing the presence of visitors in the buildings.

The Principal or designee has the authority to request aid from any law enforcement agency if any visitor to the District's buildings or grounds refuses to leave or creates a disturbance. Violation of this rule may lead to removal from the building or grounds and denial of further access to the building or grounds. Violators of this Board policy and its rules may be subject to governmental trespass laws.

The Board encourages the public to visit the District's schools, departments, and classrooms and directs the Superintendent to establish appropriate rules, regulations, and guidelines.
