Fax: 616.819.3601

Principal: Christopher Hanks
Grades: 6-8
Fall 2022 Enrollment: 173

February 15, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Grand Rapids Public Museum Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact me at HanksC@grps.org or call our school's main office at 616-819-3600 for assistance.

[The AER is available for you to review electronically by clicking this link](#) , or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

[Click here to view the School Index Overview for our school.](#) This site provides additional information about key performance indicators.

We continue to implement the district’s Academic Plan that focuses on creating a learning culture to advance students’ thinking and providing a rigorous and standards-based curriculum to help students achieve College- and Career-Readiness by the time they graduate.

State law requires that we also report additional information.

About Our School

Museum School began Fall 2015 with 60 sixth grade students and will add a grade level each year through twelfth grade. The school focuses on providing students with opportunities to explore their community, use design thinking to become creative problem solvers, and have exiting hands-on experiences. The school is housed at the Grand Rapids Public Museum where every item in the museum collection is a primary source: physical objects that tell a story and help students learn and connect history, culture, art, science, and other subjects. The Grand Rapids Public Museum has objects and artifacts from our community and around the world. Students can touch, feel, and see these artifacts every day. Place-based education gets students involved in their community through real world problem solving and utilizes the local community including the museum as a textbook. Museum School staff use design thinking to develop lessons and curriculum, guide students through projects and problem solving, and to foster a school culture of curiosity, creativity, and collaboration.

Mission Statement

We will ensure that all students are educated, self-directed, and productive members of society.

Process for Assigning Pupils to Our School

Our school is a theme school requiring application. [Click here to view the GRPS Attendance Area Finder.](#) It shows the neighborhood elementary school, middle school, and high school for your address. Additional options, including K-8 schools, theme schools, and Centers of Innovation are available. Please contact Student Services at 616-819-2150 to learn more about your school choices.

Local Assessment Results

NWEA’s Measures of Academic Progress (MAP) is the district’s local assessment. The table below reflects the proportion of students who scored at or above the 50th National Percentile in Reading and Math during Spring 2022 and Spring 2023.

School	Grade Level	NWEA Measure of Academic Progress			
		Students Scoring At/Above the 50th National Percentile			
		Reading		Math	
		Spring 2022	Spring 2023	Spring 2022	Spring 2023
GR Public Museum MS	Grade 6	43%	39%	40%	25%
	Grade 7	52%	57%	25%	40%
	Grade 8	52%	46%	33%	25%

Core Curriculum

GRPS continues to...

- Align curricula to Michigan Grade Level Content Standards and College and Career Readiness Standards.
- Provide professional development that supports our Academic Plan.
- Assess student learning so teachers have accurate information about each student.
- Define individualized student targets, school-wide targets, and district achievement targets.

[The GRPS Parent University website links parents to resources such as *Milestones* \(provided by *GreatSchools*\), a collection of online videos aimed to help parents understand their child's grade-level expectations.](#) These videos show students demonstrating what success looks like in reading, writing, and math for every grade level.

We are committed to ensuring our students reach their full academic potential. Feel free to contact me if you have questions or need additional information. Thank you for your interest in our school!

Sincerely,

Christopher Hanks
Principal, Grand Rapids Public Museum Middle School
