

Section 3000: Fiscal Management

3950 Surplus Land or Buildings

3950

The Board of Education of the Grand Rapids Public Schools recognizes its responsibility to provide maximum use of its real properties. The Superintendent shall maintain a real property inventory containing current use records of all District property and specifically identifying property that is underused or is no longer needed for District programs. This inventory shall be reviewed periodically. The Superintendent shall recommend sale, lease or disposition procedures for underused or unneeded real property.

The sale or disposal of District land or buildings shall require Board authorization. The Board shall determine the method and procedure of disposal.
