

Section 2000- General School Administration

2100 School Superintendent

2100

The Superintendent shall be the chief administrative head of the District and shall have, under the direction of the Board, general supervision of all of the public schools and of all the personnel and various personnel departments of the District. The Superintendent is responsible for the management of the schools under Board policies and is accountable to the Board.

The Superintendent, at his/her discretion, may delegate to other school personnel the exercise of any powers and the discharge of any duties imposed upon the Superintendent by these policies or by vote of the Board. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action taken under such delegation.
