

Section 7000 – Instructional Program

7165 At-Risk Students (Cf. 7140)

7165

The Superintendent shall investigate and recommend programs that will address the needs of at-risk students. At-risk students include, but are not limited to, those students who abuse drugs or alcohol, are suicidal, drop out of school, are abused children, or are pregnant minors.

Program planning should examine, but is not limited to, the following: classroom learning experiences; primary prevention programs; staff development requirements, District liability; community resources; crisis response/intervention teams; peer counseling; parent(s)/guardian(s) education; student study teams; K-12 guidance and counseling curriculum; attendance policy and procedures; student discipline; and alternative programs.
