COFFEE WITH THE BOARD

MONDAY, APRIL 15 | 5:30 – 6:15 PM

Franklin Campus Library Building

1331 Martin Luther King Jr St SE, Grand Rapids, MI 49506

The Grand Rapids Board of Education is piloting a new initiative to provide more opportunities for the public to engage in dialogue with the Board of Education. **“Coffee with the Board”** is a time where community members will be invited to meet and have conversation with board members outside of the formal confines of the regular board meetings.

The gatherings will include small groups of 4 or fewer board members with an open invitation to community members to attend the gatherings.

“**Coffee with the Board opportunities will allow space for us to have conversations with our constituents.**”

*-Kimberley Williams
Board of Education President*
