

It is the policy of the Grand Rapids Public Schools (“GRPS”) that all persons are entitled to full and complete information regarding governmental decision-making, consistent with the Michigan Freedom of Information Act (the “FOIA” or the “Act”). All officers, employees, and agents of the GRPS shall protect public records from loss, unauthorized alteration, mutilation, or destruction.

For purpose of this Policy, a “public record” means: a writing prepared, owned, used, in the possession of, or retained by GRPS in the performance of an official function, from the time it is created. Public record does not include computer software.

The Superintendent shall establish and publish procedures and guidelines for public inspection and copying of records in accord with the Michigan Freedom of Information Act. The procedures and guidelines regarding time frames, appeals, and fees do not apply to public records prepared for, or disclosed pursuant to another act or statute (i.e., requests for medical records made pursuant to the Public Health Code, or requests made pursuant to the Public Employment Relations Act or the Bullard-Plawecki Employee Right to Know Act, etc.).

The Superintendent shall designate the “FOIA Coordinator” with the authority and responsibilities stated in the Act and this policy and accompanying procedures and guidelines. The FOIA Coordinator shall be responsible to accept and process all written requests for public records under the Act and shall be responsible for approving a denial under Section 5 of the Act (MCL 15.235).

PROCEDURES AND GUIDELINES

The following procedures and guidelines will be followed when public records are sought from the Grand Rapids Public Schools:

I. WRITTEN REQUESTS

1. All individuals desiring to inspect or receive a copy of a public record shall make a written request to the FOIA Coordinator that describes the public record sufficiently to enable the FOIA Coordinator, or his/her designee, to identify and locate the public record.
2. The FOIA Coordinator, or any other designee, is not required to respond to oral requests for public records, but may do so for routine requests that can be granted immediately.
3. If a written request is received directly by a GRPS employee other than the FOIA Coordinator, the original shall be promptly forwarded to the FOIA Coordinator. The date the GRPS employee receives the request shall be considered the date the request is validly received by the GRPS, for the purpose of determining when a response is due.
4. A written request made by facsimile, electronic mail, or other electronic transmission is not received by the FOIA Coordinator until one business day after the electronic submission is made. If a request is delivered to a spam or junk mail folder, the request is not received by the FOIA Coordinator until one business day after it is discovered.
5. Upon receiving a written request for a public record pursuant to these procedures and guidelines, a person or entity has the right to inspect, copy, or receive copies of the requested public record(s), unless the requested public record is exempt from disclosure pursuant to Section 13 of the Act (MCL 15.243), as amended. If the exempt status of any request is questioned, legal counsel should be consulted. New public records, compilations, summaries, and/or reports of information shall not be created in response to a FOIA request.
6. Upon request for public inspection, the FOIA Coordinator, or any other designee, shall furnish a requestor a reasonable opportunity for inspection and examination of the requested public records, subject to applicable exemptions, and shall furnish reasonable facilities for making memoranda or abstracts from its public records during regular business hours. Regular business hours for this purpose are Monday through Friday from 8:00 a.m. – 3:00 p.m. unless otherwise posted at 1331 Franklin Street SE, Grand Rapids, MI 49506.

Section 2000 – General School Administration

7. A requestor may stipulate that the public records be provided on non-paper physical media, electronically mailed, or otherwise electronically provided to him or her in lieu of paper copies. Notwithstanding the foregoing, such stipulation must be within the technological capabilities of the GRPS.
8. A person or entity may subscribe to future issuances of public records that are created, issued, or disseminated on a regular basis. A subscription shall be valid for up to six months, at the request of the subscriber, and shall be renewable.
9. If a requested public record may be obtained on the GRPS's website or webpage, the FOIA Coordinator shall notify the requestor in writing of such availability and provide the direct internet address or link to obtain such public record. If, after receiving such written notification from the FOIA Coordinator, the requestor notifies the GRPS that he or she continues to want the GRPS to provide a copy of the available public record, in any format, the GRPS shall process such request and may impose additional labor costs as specified within Article IV below.

II. REQUEST PROCESSING

1. When the FOIA Coordinator receives a written request for a public record, the FOIA Coordinator, or any other designee, shall, in not more than five (5) business days after the GRPS receives the request, respond to the request by one of the following:
 - a. Grant the request.
 - b. Issue a written notice to the requestor denying the request.
 - c. Grant the request in part and issue a written notice to the requestor denying the request in part.
 - d. Issue a written notice extending, for not more than ten (10) business days, the period during which the GRPS shall respond to the request.
2. Any failure to respond to a written request as provided for above constitutes the GRPS's determination to deny the request.
3. Any written response denying a request for a public record, in whole or in part, is a final determination to deny the request or portion of that request. A denial response should contain the following:
 - a. An explanation of the basis under the Act or other statute for the determination that a public record(s), or portion(s) thereof, is

Section 2000 – General School Administration

2810-R Public Review and Inspection of Records (Cf. 8940 *et seq.*)

2810-R-3

exempt from disclosure, if that is the reason for denying all or part of a request.

- b. A statement that the public record(s) do not exist under the name/description given by the requestor or by another name reasonably known to the GRPS.
- c. A description of a public record(s) or information on a public record that is separated or deleted if such separation or deletion is made.
- d. A full explanation of the requestor's right to either file an appeal with the Superintendent or seek judicial review of the denial pursuant to Section 10 of the Act (MCL 15.240).
- e. Notice that a requestor may receive attorneys' fees and damages pursuant to the Act if the Court determines that the GRPS has not complied with Section 5 (MCL 15.235) of the Act and orders disclosure of all or a portion of a public record.

III. DEPOSIT & FEES

1. Fees for responding to any request shall include duplication (copying) costs and mailing costs. Duplication (copying) costs shall be set from time to time by the Superintendent in an amount that does not exceed six cents per page (8½ x 11 and 8½ x 14). The GRPS shall use the most economical method of duplication (*i.e.*, double-siding, etc.) and the least expensive form of postal delivery, unless a more expensive method is specifically requested by the FOIA requestor.
2. The cost of hourly labor may also be charged if the failure to do so will result in unreasonably high costs to the GRPS because of the nature of the request in a particular instance. If such is the case, the GRPS shall specifically identify the nature of these unreasonably high costs. For purposes of these procedures and guidelines, "unreasonably high costs" shall generally mean calculated labor costs that are estimated to exceed \$50.00, inclusive of salary or wage and fringe benefits.
3. Labor costs shall include the cost of the search, examination, review, separation, and/or deletion of exempt information from non-exempt information in order to fulfill a request.
4. Labor costs will be calculated using the wage of the lowest paid GRPS employee capable of searching for, locating, and examining the public record(s), regardless of whether that person is available or actually performs the labor. Labor costs shall be charged in increments of at least 15 minutes or more with all partial time increments rounded down. The GRPS may also add up to 50% to the applicable labor charge amount to

Section 2000 – General School Administration

cover or partially cover the cost of fringe benefits. If it does so, it will clearly note the percentage multiplier used to account for benefits in the detailed itemization form. Subject to the 50% limitation, the GRPS shall not charge more than the actual cost of fringe benefits, and overtime wages shall not be used in calculating the cost of fringe benefits. Notwithstanding the foregoing, 100% of fringe benefit costs may be added to the applicable labor charge if a requestor is notified in writing that public records are available on the GRPS's website or webpage and the requestor continues to request that the GRPS provide a copy, in any format, of the available public record.

5. Overtime wages shall not be included in the calculation of labor costs unless the requestor specifically approves the use of overtime in writing, and overtime wages are clearly noted in the detailed itemization form.
6. If the GRPS does not employ a person in-house who is capable of separating exempt from non-exempt information in a particular instance, as determined by the FOIA Coordinator, it may utilize an outside contractor. In those instances, the GRPS shall clearly note the name of the contractor or firm on the detailed itemization form. The cost of the contractor's labor, including necessary review directly associated with separating and deleting exempt information from non-exempt information, shall not exceed an amount equal to 6 times the state minimum hourly wage rate.
7. The GRPS will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.
8. The GRPS may require a good faith deposit (not to exceed 50% of the total labor and duplication costs) from the requestor, if the total estimated fee exceeds fifty dollars (\$50.00). A request for a good faith deposit shall include a detailed itemization of the fee the GRPS estimates or charges pursuant to the Act. Additionally, a request for a good faith deposit shall include a best efforts estimate regarding the time frame it will take to comply with the Act in providing the public records to the requestor. The GRPS may require a one-hundred percent (100%) deposit from a requestor who has not previously paid a fulfilled FOIA request, provided the requirements in Section 5 of the Act are met.
9. All fees and deposits calculated under these procedures and guidelines shall be listed within a detailed itemization form that shall be provided to the requestor. A copy of such form is attached hereto and incorporated by reference.

Section 2000 – General School Administration

10. Pursuant to Section 4(2) of the Act, the GRPS shall search for and furnish a copy of a public record without charge for the first \$20.00 of the fee for each request made by either of the following:
 - a. An individual who is entitled to information under the Act and who submits an affidavit stating that the individual is indigent and receiving specific public assistance or, if not receiving public assistance, stating facts showing an inability to pay the cost because of indigence. If an individual is ineligible for a discount, then the GRPS will inform the individual of the specific reason for the ineligibility in its written response. The right to financial assistance for indigent individuals shall not apply where:
 - (i) an individual has received discounted copies of public records from GRPS twice during the calendar year; or
 - (ii) an individual requests information in conjunction with outside parties who are offering or providing payment, or other remuneration to the individual to make the request.
 - b. A non-profit organization formally designated by the state to carry out activities under Subtitle C of The Developmental Disabilities Assistance And Bill Of Rights Act of 2000, Public Law 106-402, and The Protection And Advocacy For Individuals With Mental Illness Act, Public Law 99-319, or their successors provided the following requirements are satisfied:
 - (i) The request is made directly on behalf of the organization or its clients;
 - (ii) the request is made for a reason wholly consistent with the mission and provisions of those laws under Section 931 of the Mental Health Code, MCL 330.1931; and
 - (iii) the request is accompanied by documentation of its designation by the State, if requested by GRPS.
11. The GRPS may waive any charges if the FOIA Coordinator determines the cost is de minimis. For purposes of these procedures and guidelines, “de minimis” shall mean a calculated fee that is estimated to be less than \$10.00, inclusive of labor costs, duplication and mailing.

IV. FEE DISPUTE APPEAL

1. If the requestor believes the fee estimated or charged for the request exceeds the amount permitted under these procedures and guidelines or Section 4 of the Act, the requestor is required to submit to the Superintendent a written appeal for a fee reduction that specifically states

Section 2000 – General School Administration

the word "appeal" and identifies how the required fee exceeds the amount permitted under these procedures and guidelines or Section 4 of the Act.

2. Within 10 business days after receiving a written appeal, the [head of a GRPS] shall do one of the following:
 - a. Waive the fee.
 - b. Reduce the fee and issue a written determination to the requestor indicating the specific basis under Section 4 of the Act that supports the remaining fee. The determination shall include a certification from the Superintendent that the statements in the determination are accurate and that the reduced fee complies with these procedures and guidelines and Section 4 of the Act.
 - c. Uphold the fee and issue a written determination to the requestor indicating the specific basis under Section 4 of the Act that supports the required fee. The determination shall include a certification from the Superintendent that the statements in the determination are accurate and that the fee complies with these procedures and guidelines and Section 4 of the Act.
 - d. Issue a notice extending, for not more than 10 business days, the period during which the Superintendent shall respond to the written appeal. The notice of extension shall include a detailed reason or reasons why the extension is necessary. The Superintendent shall not issue more than one notice of extension for a particular written appeal.
3. If a requestor disagrees with the Superintendent's determination, the requestor may comment an action in Circuit Court in the County in which GRPS is located, within 45 days of the GRPS's determination, to seek a fee reduction.

V. RIGHT TO APPEAL A DENIAL OF A PUBLIC RECORD REQUEST

1. If a requestor desires to appeal a denial of a request for a public record, in whole or in part, the requestor may submit a written appeal to the Superintendent or may seek judicial review of the denial, pursuant to Section 10 of the Act (MCL 15.240). A written appeal to the Superintendent shall specifically state the word "appeal" and identify the reason(s) for reversal of the denial.
2. Within 10 business days after receiving a written appeal, the Superintendent shall do one of the following:
 - a. Reverse the disclosure denial.

Section 2000 – General School Administration

2810-R Public Review and Inspection of Records (Cf. 8940 *et seq.*)

2810-R-7

- b. Issue a written notice to the appellant upholding the denial.
 - c. Reverse the denial in part and issue a written notice to the appellant upholding the denial in part.
 - d. Under unusual circumstances, issue a notice extending, for not more than 10 business days, the period during which the Superintendent shall respond to the written appeal. The Superintendent shall not issue more than 1 notice of extension for a particular written appeal.
3. The Superintendent is not considered to have received a written appeal until its next regularly scheduled meeting after the appeal is submitted.
 4. Any failure to respond to an appeal shall be considered a decision to uphold the denial. If an appeal is denied in whole or in part by the Superintendent, the appellant may seek judicial review of the nondisclosure by commencing an action in Circuit Court in the County in which GRPS is located.

GRAND RAPIDS PUBLIC SCHOOLS

FREEDOM OF INFORMATION ACT

WRITTEN SUMMARY

Pursuant to Section 4 of the Michigan Freedom of Information Act, MCL 15.234, (the “FOIA” or the “Act”) the Grand Rapids Public Schools (the “GRPS”) issues this written public summary of the following:

How to Submit Written Requests to the Grand Rapids Public Schools

The Grand Rapids Public Schools requires individuals or entities to submit FOIA requests in writing. FOIA requests may be mailed to the following address:

FOIA Coordinator
Grand Rapids Public Schools
1331 Franklin St. SE
Grand Rapids, MI 49506

An individual or entity may also make a request in person at the Human Resources Department, or email a request to foiarequest@grps.org or fax a request to (616) 819-2172. Requested records may also be reviewed at Grand Rapids Public Schools, 1331 Franklin St. SE, Grand Rapids, MI 49506, during the hours of 8:00 a.m. – 3:00 p.m., Monday through Friday, or Monday through Thursday during summer hours, with the exception of holidays and other days when the District is closed.

Please review the following checklist to ensure a timely and accurate response to a request:

- a. Make sure the correspondence is addressed to the “FOIA Coordinator” and includes the proper address and/or fax number.
- b. Clearly state that the request is being made for a public record(s) pursuant to the “Freedom of Information Act” or the “FOIA.”
- c. Describe the public record(s) requested in sufficient detail so that it can be more-easily identified and located.
- d. Describe the subject matter of the public record(s) requested and, if possible, the approximate date that the public record(s) was created.
- e. Clearly state the manner in which you prefer the GRPS to provide the public records, such as: paper copies, non-paper physical media, email, etc. (please note, all requests must be within the technological capabilities of the Grand Rapids Public Schools).
- f. You can stipulate that public records be provided on nonpaper, physical media, electronically mailed, or otherwise electronically provided in lieu of paper copies. If the requested public records are available on the GRPS website and the response includes the website address, then any request for paper format or other form, such as electronic form, may result in additional charges.

How to Understand the Grand Rapids Public Schools Written Responses

When the FOIA Coordinator receives a written request for a public record, the FOIA Coordinator, or his or her designee, shall, in not more than five (5) business days after the Grand Rapids Public Schools receives the request, respond to the request in one of the following ways:

- a. Grant the request.
- b. Issue a written notice to the requestor denying the request.
- c. Grant the request in part and issue a written notice to the requestor denying the request in part.
- d. Issue a written notice extending, for not more than ten (10) business days, the period during which the Grand Rapids Public Schools shall respond to the request.

Deposit Requirements

If the estimated cost of responding to a request exceeds \$50.00, the GRPS may require a good faith deposit of 50% to be submitted before the request is processed. Once the good faith deposit is submitted, the Grand Rapids Public Schools will process the request. The balance of the cost of the request must be paid before copies may be picked up, mailed, or delivered. Good faith deposits and fees charged for responding to FOIA requests may be mailed to the following address:

FOIA Coordinator
Grand Rapids Public Schools
1331 Franklin St. SE
Grand Rapids, MI 49506

Fee Calculations

Please review the attached Fee Itemization Form, which provides a line-by-line summary and explanation of the fees that the Grand Rapids Public Schools may charge in response to a request, pursuant to Section 4 of the Act (MCL 15.234(1)).

Avenues for Challenge and Appeal

If the requestor believes the fee estimated or charged for the request exceeds the amount permitted under the Grand Rapids Public Schools procedures and guidelines or Section 4 of the Act, the requestor must submit to the Superintendent a written appeal for a fee reduction that specifically states the word "appeal" and identifies why the requestor believes the required fee exceeds the amount permitted under the Grand Rapids Public Schools procedures and guidelines or Section 4 of the Act. If the requestor disagrees with the Grand Rapids Public Schools final determination, the requestor may, after exhausting internal administrative remedies, commence a civil action in Circuit Court where the Grand Rapids Public Schools is located for a fee reduction. The civil action must be filed within 45 days of the Grand Rapids Public Schools final determination to deny a request pursuant to Section 10(1)(b) of the Act.

Any written response denying a request for a public record, in whole or in part, is a final determination to deny the request or portion of that request. A requestor may file an appeal with the Superintendent or may seek judicial review of the denial, pursuant to Section 10 of the Act (MCL 15.240). A requestor may receive attorneys' fees and damages pursuant to the Act, if the Court determines that the Grand Rapids Public Schools has not complied with Section 5 (MCL 15.235) of the Act and orders the disclosure of all or a portion of a public record.
