

## Grand Rapids Public Schools 21<sup>st</sup> CCLC Learning at a Distance Plan

The Office of Extended Learning goal is to provide academic enrichment opportunities for students while schools are closed. We are taking into consideration the difficulties that our staff and families are facing. "Learning at a Distance" accounts for multiple ways of learning delivery besides virtual, including phone calls, email, texts, activity packets mailed to the home/picked up, etc. We are going to do our best to provide activities to keep students' minds moving forward.
