State of Michigan Parent/Guardian Involvement Initiative

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District’s educational programs. It is recognized and appreciated that parents/guardians are the “first teachers” of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will expect parent(s)/guardian(s) participation that may include, but not be limited to: The development and review of instructional materials; input on the ways that the District may better provide parent(s)/guardian(s) with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to instruct parent(s)/guardian(s) how to become more involved in their child's educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District’s Parental Involvement plan to all parent(s)/guardian(s). This plan may be provided via the student handbook or other document distributed to all students and parents.

• Address the importance of communication between teachers and parents/guardians on an ongoing basis through, at a minimum:
  o Parent(s)/Guardian(s)-teacher conferences in elementary schools, at least annually, during which the Compact shall be discussed as the Compact relates to the individual child's achievement;
