

Section 7000 – Instructional Program

7200 Partnerships (Cf. 9720)

7200

The Board may enter into partnership programs between the District or the schools of the District, and business/community organizations and/or educational institutions for the mutual benefit of the students, professional staff and the outside organization. Such partnerships may include, but are not limited to after school programs, adopt-a-school programs, cooperative vocational education agreements, or the lending of equipment.
