

Section 1000: Board Bylaws

1510 Bylaw and Policy Development System

1510

The Board shall oversee and review its bylaws and policies at least every four years and shall, as needs dictate, create, delete, and amend existing bylaws and policies and adopt new bylaws and policies.

The Superintendent shall also advise the Board when a bylaw or policy is recommended to be created, amended, or deleted.

The Superintendent shall draft all recommended policy changes. New bylaws proposals and recommendations for changes shall be drafted by the Superintendent in conjunction with the Board President or an Ad Hoc Committee.

The Board and Superintendent may solicit and consider recommendations and input from staff, students and community members concerning Board policy.
