

Section 1000: Board Bylaws

All rules/regulations or procedures developed pursuant to the Board's policies shall conform to the intent of the policies. The Board shall not normally approve or adopt administrative rules/regulations or procedures except in those instances in which the Superintendent or legal counsel believe such formal adoption shall be necessary or desirable because of potential litigation, public attitudes, or possible student or staff reaction. The Board gives the Superintendent authority to develop and implement all necessary rules/regulations or procedures authorized by Board policy or state statute. All rules shall be published on the District's website. Particular regulations or procedures shall be provided to the applicable staff in a manner determined by the Superintendent. Applicable rules shall be provided to students through the Student Handbook. The Superintendent shall keep the Board informed of any rules/regulations or procedures developed to implement Board policy and shall periodically present them to the Board for review. The Board may veto any administrative rule/regulation or procedure when, in the judgment of the Board, they are inconsistent with Board policy or Board intent.

Rules/Regulations or procedures may be issued by the Superintendent directly without adoption of Board policy.
