

Section 1000 – Board Bylaws

The objectives of this bylaw are to maintain an impartial administration of the business of the school District and to maintain public confidence in the Board of Education.

No member of the Board of Education shall engage in, or be a party to, any of the following activities:

1. Representing his/her opinion as that of the Board of Education or making commitments on behalf of the school District or the Board unless that person has been specifically designated to do so by official Board action. The Board shall make the staff and citizens aware that only the Board, not individual members, has the right to take official action for the District. Board members may be contacted for discussion of District business or for complaints. The Board member may listen but shall not make a commitment on behalf of the Board. The individual Board member does not and cannot, speak for the Board or the Superintendent.
2. Placing him/herself in situations where prejudice, bias, favoritism or personal gain is a motivating force in his/her conduct.
3. Disclosing or releasing confidential information, not otherwise available to members of the public, in advance of the time prescribed for the release; provided however, that this provision shall not prevent a Board of Education member from divulging or releasing confidential information regarding suspected violations of law.
4. Benefiting financially from confidential information obtained due to the member's position on the Board of Education.
5. Using personnel resources, property, or funds of the school District, except in accordance with prescribed constitutional, statutory, and regulatory procedures, and in accordance with good business procedures and not for personal gain or benefit.
6. Soliciting or accepting a gift or loan of money, goods, services or other things of value, which tends to influence the manner in which the Board of Education member performs his/her official duties.

Section 1000 – Board Bylaws

7. Becoming employed by the school District or receiving any compensation for services rendered, except compensation for attending meetings as permitted by law.
8. Endorsing any organizations, institutions, instructional books or materials, political candidates, etc., on behalf of the District or the Board without the express approval of the full Board. Board members may individually express their personal views regarding a ballot issue or political candidate. In order to comply with these bylaws, the Board member should emphasize that the viewpoint is his/her personal opinion and does not represent the opinion of the Board of Education, unless the Board has adopted a resolution embracing the same viewpoint. The following represents an acceptable endorsement statement from an individual Board member: “My endorsement represents my personal opinion and does not represent the view of the Board of Education because I am not authorized to speak on behalf of the Board, which can only speak as a whole body through its minutes and resolutions.”

Board Members shall:

1. Attend all scheduled Board meetings insofar as possible and become informed concerning the issues to be discussed at Board meetings,
2. Take no action that will compromise the Board or the District’s staff and respect the confidentiality of information that is privileged under applicable law,
3. Make policy only after full discussion of the issues at publicly held Board meetings,
4. Encourage the free expression of opinion by all Board members and seek systematic communications between the Board, students, staff, and all elements of the community,
5. Work with other Board members to establish effective policy and to delegate authority for the administration of the schools to the Superintendent,
