

2017-2018 Annual Education Report

Grand Rapids Public Schools • 1331 Franklin S.E. • P.O. Box 117 • Grand Rapids, MI 49501-0117 • (616) 819-2000 • <http://www.grps.org>

August 15, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for INNOVATION CENTRAL HIGH SCHOOL. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me at frostm@grps.org or call our school's main office at (616) 819-2310 for assistance.

All Michigan schools are required to report out on several different components including:

- *Results of State Assessments for all tested subjects (English Language Arts, Mathematics, Science and Social Studies)*
- *Teacher Qualification Data*
- *NAEP (National Assessment of Educational Progress)*

Our school's AER is available for you to review electronically by visiting the Michigan School Data site or clicking this link: [Innovation Central AER](#). You may also review a copy in the main office at our school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Comprehensive Support and Improvement (CSI) school is performing in the lowest 5% of all schools in the state. A Targeted Support and Improvement (TSI) school has one or two underperforming student subgroups. An Additional Targeted Support (ATS) school has three or more underperforming student subgroups. Schools with higher levels of performance are not identified with any of these labels.

Grades 9-12 • 421 Fountain N.E. • 616.819.2310 • Fax: 616.819.2369 • Principal: Mark Frost • Enrollment: 706

Innovation Central

Our school was identified as a Targeted Support and Improvement (TSI) school based upon the results of our English Learners. As a result of this identification, our staff is working with district, county and state leaders to address the needs of our students and work toward increasing learning for all students.

Click [here](#) to view the School Index Overview for our school. This site provides additional information about key performance indicators. We continue to implement the district's Academic Plan that focuses on creating a learning culture to advance students' thinking and providing a rigorous and standards-based curriculum to help students achieve College- and Career-Readiness by the time they graduate.

About The School

Innovation Central was established as a new Center of Innovation and houses several programs including: Academy of Health Science & Technology, Academy of Modern Engineering, Academy of Design & Construction, and Academy of Business, Leadership & Entrepreneurship. The Academy of Health Science & Technology is the region's premier specialty high school focused on preparing students for college and career pathways in the wide-ranging health care industry. Our school is committed to educating all students to master essential academic skills and develop the personal characteristics of dependability and self-discipline.

Mission Statement

Our mission is to ensure that all students are educated, self-directed and productive members of society.

Process for Assigning Pupils to Our School

Our school is a Center of Innovation requiring application. Click [here](#) to view the GRPS Attendance Area Finder. It shows the neighborhood elementary school, middle school, and high school for your address. Additional options, including K-8 schools, theme schools, and Centers of Innovation are available. Please contact Student Services at 616-819-2150 to learn more about your school choices.

Local Assessment Results

NWEA's Measures of Academic Progress (MAP) is the district's local assessment. This graph reflects the proportion of students scoring at or above the 50th percentile.

Core Curriculum

GRPS continues to...

- Align curricula to Michigan Grade Level Content Standards and College and Career Readiness Standards.
- Provide professional development that supports the Academic Plan.
- Assess student learning so teachers have accurate information about each student.
- Define individualized student targets, school-wide targets and district achievement targets.

The GRPS Parent University website links parents to resources such as [Milestones](#) (provided by *GreatSchools*), a collection of online videos aimed to help parents understand their child's grade-level expectations. These videos show students demonstrating what success looks like in reading, writing, and math for every grade level.

Parent-Teacher Conference Participation
