Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for MARTIN LUTHER KING, JR. LEADERSHIP ACADEMY. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me at [CrawleyH@grps.org](mailto:CrawleyH@grps.org) or call our school's main office at 616-819-2600 for assistance.

All Michigan schools are required to report out on several different components including:

- *Results of State Assessments for all tested subjects (English Language Arts, Mathematics, Science and Social Studies)*
- *Teacher Qualification Data*
- *NAEP (National Assessment of Educational Progress)*

Our school's AER is available for you to review electronically by visiting the Michigan School Data site or clicking this link: [MLK AER](#). You may also review a copy in the main office at our school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Comprehensive Support and Improvement (CSI) school is performing in the lowest 5% of all schools in the state. A Targeted Support and Improvement (TSI) school has one or two underperforming student subgroups. An Additional Targeted Support (ATS) school has three or more underperforming student subgroups. Schools with higher levels of performance are not identified with any of these labels.

Our school has not been given one of these labels.

We continue to implement the district's Academic Plan that focuses on creating a learning culture to advance students' thinking and providing a rigorous and standards-based curriculum to help students achieve College- and Career-Readiness by the time they graduate.
