

# Native American

## EDUCATION PROGRAM

OUR VISION

**Gakina agegoo  
ji-ni-minoowazhiwebag**

*A balanced  
and productive future*

*The mission of the Native American Education Program is to support our Native American students in successful academic achievement and to prevent and respect the whole person through culturally relevant activities.*

**CULTURALLY RELEVANT ACTIVITIES**

The Native American education program was developed through the partnership of Grand Rapids Public Schools and the Title VI Federal Grant Program. Through the support of GRPS, the Native American Education Program is able to offer:

**Afterschool programming**

**School presentations**

**Cultural assemblies**

**Community events**

Events and programming are developed and implemented for Native students and are attended by Native, as well as non-native, students, families, and community members giving participants the opportunity to learn and respect the traditional values and beliefs of Native people.

**Register Today!**

For more information or to register your child, please call the Native American Education Program at 616.819.3318.
