

GRASP BOOKLET INSTRUCTIONS and DEADLINE

- Congratulations! Enclosed is your GRASP packet! It contains 9 answer sheets, one for each lesson. Complete the top of each answer sheet so that we can give you credit.

Name: Write your (the student's) first and last name

Grade: Write the grade level of the GRASP booklet you are working on

Subject: Write either Math or Reading

Lesson: Write the number of the lesson you are completing

- Multiple answer sheets may be mailed to us in one envelope. You may send answer sheets for both math and reading, several lessons, and more than one child in an envelope. Just be sure to use the appropriate postage. We will send the scored sheets back to the individual child.

- Scored lessons will be sent to the return address on the envelope. Please use the student's name and address for the return address. If the address is different than what was used for registering, please include a note with Lesson 1 advising if this is an address change or a temporary summer location so that awards are sent to the correct address.

- If convenient, please return unused envelopes to keep costs down. The bar code on the front and back directs mail to GRASP. If they are used for your other mailings, it comes to us first which causes a delay in getting your mail to the correct location.

- When you receive the scored answer sheet back, note any questions that were marked wrong. The correct answer is given on the same line as the question, in the area between the columns.

- You successfully complete a lesson and receive credit if the lesson is at least 70% correct. If you score below 70%, we will send a new "redo" sheet so you can bubble the answers you had correct and rework the ones you got wrong.

- A certificate is awarded to students who successfully complete at least 7 lessons or more and a medal is awarded for 9 successful lessons. All awards will be mailed around Labor Day. A student taking both math and reading will receive only one award.

- Questions? Call (616) 819-2548, email Lori Peterson petersonl@grps.org or Barb Savic savicb@grps.org, or send mail to GRASP, 1720 Plainfield NE, Grand Rapids MI 49505.

- You can work at your own pace, but try to send your lessons using the suggested schedule below so you don't get behind.

Suggested Schedule for 2017

Complete and mail:

Lesson 1 by June 19 (Monday)

Lesson 2 by June 26 (Monday)

Lesson 3 by July 3 (Monday)

Lesson 4 by July 10 (Monday)

Lesson 5 by July 17 (Monday)

Lesson 6 by July 24 (Monday)

Lesson 7 by July 31 (Monday)

Lesson 8 by August 7 (Monday)

Lesson 9 by August 14 (Monday)

GRASP DEADLINE – MUST BE POSTMARKED BY AUGUST 14, 2017
Those not postmarked by August 14th will not be scored or returned.
